Monthly Concepts

The activities and creations that your child will participate in and often bring home in the next few weeks will relate to the monthly concepts outlined below. These concepts have been aligned to the Ohio Early Learning and Development Standards. Please keep in mind that your child is not expected to master each of these concepts. We will focus on individual needs and will select goals that are most appropriate for your child and provide opportunities for learning at each individual level.

Social-Emotional/Approaches Toward Learning:

- I use my words to get what I want.
- I listen to my friends!
- I can follow the daily routine and familiar tasks independently.
- I can express interest in and show appreciation for the creative work of my friends.

Physical Well-Being & Motor Development:

- I can follow basic safety rules with help from an adult.
- I can identify the consequences of unsafe behavior.
- I can identify ways that adults help keep me safe.

Cognitive Development & General Knowledge/Language & Literacy:

- I can collect data, graph, and make predictions.
- I know my numbers!
- I can write my name (using mock or actual letters)!
- Alphabet Concept:
 - Review letters A-Z
- Color Focus: Review All Colors
- Shape Focus: Review All Shapes
